Cornish Brie – Full fat pasteurised cow's milk from Cornwall

"A delicious mild and creamy flavour with melting smooth texture. The creamy milk gives it a characteristic yellow, buttery colour"

Smoked Gubeen – Pasteurised cow's milk, vegetable rennet from Ireland

"Gubeen has a supple springy semi soft texture. The pinkish wrinkled rind is achieved by careful washing turning during maturation. It is then slowly smoked over oak chips without overpowering the flavour of the cheese itself"
